FESTIVAL!

The Children's Society is making an exhibition about festivals and New Travellers. We are looking for **YOUNG PEOPLE** to get involved in creating this exhibition. We want your memories, photos, poems, drawings – anything to do with festivals.

- **What's your favourite festival and why?**
- **Are festivals too commercial these days?**

We want to hear what you think and feel about festivals. Perhaps you work at festivals during the summer, litter-picking, doing workshops, selling things you've made? Perhaps you've got a funny story to share about a festival you've been to?

- **What would your perfect festival be like?**
- **Is it still worth going to Stonehenge for the Summer solstice?**

If you want to get involved please call Rosie Wild on 01761 479368 or 07740 038725 or email her on rosie.wild@childrenssociety.org.uk

Thank you!
