What is the exhibition about?

In 2013 project volunteers and Liz Mac recorded interviews with Sussex based Gypsies, Travellers and Showmen who spoke openly about their lives, families, and subjects of personal interest. Listen to audio clips from the interviews, read excerpts, enjoy a feast of historical photos and family snaps, and watch digital stories made by Damian Le Bas. The exhibition is organised under 9 theme headings including Customs, Language and Work.

The exhibition will be delivered to your venue, put up and taken down at a time convenient to you, and can be installed for a one day event or a period of time.

The cost is £200 plus fuel at 45p per mile.

For more information about hiring this informative and accessible exhibition please contact Emma Nuttall at Friends, Families and Traveller. Email: emma@gypsy-traveller.org or contact Emma by phone on 01273 234006

"The Presence of the exhibition at today's seminar really added value. It is visually impressive and the content was of interest to all those attending. The exhibition has legacy benefit and is a credit to those who have worked hard to pull it together"
